# Rheumatism

WHO HAD IT

In the spring of 1892 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temperary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afficited and even bedriften with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cart, simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-locked-for means of curing your rheumatism, you may send the price of it one dollar, but understand. I do not want your more vales you are perfectly satisfied to WHO HAD IT do not want your mone ou are perfectly satisfied t lan't that fair? Why suf Mark H. Jackson, No. 89-E Gur-ley Hidg.
